About Municipal Retirees Organization Ontario

Municipal Retirees Organization of Ontario (MROO) was created as a not-for-profit corporation in 1977. We speak on behalf of all Ontario Municipal Employees Retirement System (OMERS) pensioners and provide services to 24,000 members. MROO is the largest OMERS retiree organization and the only one with membership open to retirees from all walks of local government life – former union, non-union and management employees of municipalities, police services, fire services, libraries, school boards, health units, electricity distributors, children`s aid societies, and other employers in the OMERS pension plan. We are an independent, non-partisan organization formed to voice the interests of all OMERS retirees to OMERS and governments of all levels, represent our membership in legislative matters that affect retirees, and provide services that benefit our members. In addition to advocacy in favour of the OMERS pension plan and retirement income adequacy, MROO offers members health, dental, travel, home, and auto insurance coverage; scholarships for members` relatives; and ongoing communication on retirement issues.
