

2020 MROO Scholarship Program

MROO awards scholarships of \$2,500 and one Don MacLeod Leadership Award for \$5,000 to students at a Canadian university, community college or similar post-secondary institution in Canada. These scholarships represent the importance we place on education and investing in today's younger generation.

Twenty-twenty was a banner year for the program! MROO received over 140 submissions, no doubt a reflection of the tough time students are having due to the impact of COVID-19. MROO decided that eligible students who applied but did not make it onto the finals list would be provided with a \$500.00 consolation prize for this year only.
