

## \$5,000 DON MACLEOD LEADERSHIP AWARD RECIPIENT FOR 2021

A very big congratulations to our 2021 Don MacLeod Leadership Award recipient for 2021 - Matias Totz! Matias is studying at the University of Calgary and pursuing a Bachelor of Commerce. Matias found out about the MROO scholarship program through his grandfather, William James Evraire, who has been a MROO member for the last 23 years. Jim lives in Deep River, Ontario (Zone 6) with his wife Joanne. Before retiring, Jim worked for the City of Etobicoke, Metro Toronto, 1963-1968 and the Town of Deep River, Municipal Recreation Director, 1968-1998.

We asked Matias what his plans are for the future and the remainder of his university studies and this is what

he shared with us: "I will continue serving my University of Calgary community as a student medical response volunteer, an intramural sports captain, a junior executive on the Commerce Undergraduate Society, and a marketing volunteer lead on the student rocketry team aiming to put a Cube Satellite into orbit for the first time in Calgary history."

Matias has demonstrated impressive leadership skills and is an exceptional student and community member. MROO is delighted to give this special award to Matias Totz.

Congratulations, Matias!
